

Make it a
homefree
Holiday

We've upgraded
your nTown plan
to HomeFree.

Dear «First» «Last»,

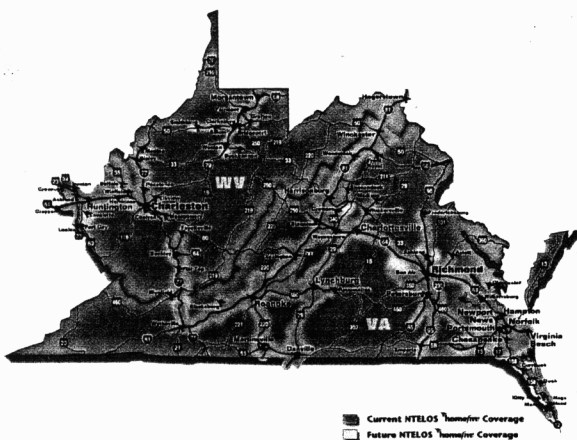

This Holiday Season, NTELOS is giving its most valuable customers an exciting gift, HomeFree.

Your current rate plan has been automatically upgraded to a HomeFree plan that includes the entire NTELOS network.

Your current nTown rate plan of \$40.00 per month will be automatically changed to \$39.99 for the HomeFree Unlimited. Calls made after «Date» will give you unlimited calling on our entire digital network.

In order for your phone to be used on the entire network, you will need to update the software on your phone. To do this, dial *228 from your NTELOS wireless phone.

Your New Expanded Calling Area.

But Wait, There's More!

Sign a new
Two-Year
Contract and
receive a
**FREE Color
Phone!**

Sign a new two-year contract by either visiting a retail store or calling NTELOS and receive a **FREE Color Phone.**

Should you have any questions, please dial 611 from your NTELOS wireless phone or 1-877-4NTELOS and a customer service representative will assist you.

Just our way of saying thanks for being an NTELOS customer.
Thank you for choosing NTELOS and we appreciate your business!

Cordially,

David Coats
Vice-President, Customer Care

Some restrictions apply. Free Phone model subject to change without notice.

Please dial *228
to update your
NTELOS phone.
